

Premiere Hot Tubs Earns Esteemed 2016 Angie's List Super Service Award

Award reflects company's consistently high level of customer service

Premiere Hot Tubs has again earned the home service industry's coveted Angie's List Super Service Award, now for an unprecedented 5 Years in a row, reflecting another exemplary year of customer service to members of the local services marketplace and consumer review site in 2016.

This achievement is particularly significant as Angie's List experienced unprecedented member growth in 2016. More than 1.6 million consumers, many of whom were eager to quickly hire highly qualified service pros, joined Angie's List after the company added a new, free membership tier.

"Companies that can meet higher demands without missing a beat in their exemplary performance standards truly do stand apart from their peers," said Angie's List Founder Angie Hicks. "Only a fraction of the Spa & Hot Tub showrooms in Texas were able to do it."

Angie's List Super Service Award 2016 winners have met strict eligibility requirements, which include an "A" rating in overall grade, recent grade, and review period grade. The SSA winners must also be in good standing with Angie's List, pass a background check and abide by Angie's List operational guidelines.

"We are honored to have again earned Angie's List Super Service Award. We strive to be the very best in our industry. We focus on the best hot tubs, best value, and the very best service. Having now earned Angie's List Super Service Award for 5 years in a row, I am most proud of our great associates in Premiere Hot Tubs as it recognizes their efforts every day of the year," said Bill Meyer, founder of Premiere Hot Tubs.

Service company ratings are updated daily on Angie's List as new, verified consumer reviews are submitted. Companies are graded on an A through F scale in areas ranging from price to professionalism to punctuality.

For more than 21 years, Angie's List restricted access to its verified reviews to consumers who paid membership fees. When the company removed that barrier, some companies worried that the new, non-paying members would not be as engaged as members of the past. Experience has shown, however, that these newly added members are just as engaged – across all age groups – as prior members. Also, because the company continues to adhere to its review verification process, there has been no degradation of review quality.

"The biggest change at Angie's List is that we are connecting even more consumers to high quality service professionals," Hicks said. "And that's good for everyone."
